in the bare thought of the judge's stern dis-pleasure, had if heen lots to almost sink in fortunately did, beyond a mere report by heart at the iden of one doubt upon her long-word; but in her strongeit trank Becky paramount; but all suok into mere nothing-ness, or rather were merged into one feeling of womanly and simple intercy, when the stated mank good ones; none, however, glanced down upon the child's upturned face paramount; but all such into mere nothing-ness, or rather were merged into one feeling of womanly and simple mercy, when she glanced down upon the child's upturned face

LOWELL, (MASS.,) FRIDAY MORNING, APRIL 76, 1847.

glanced down upon the child's upturned face of terror, hanger, ind pain. 'You — 'commenced the postman. 'Had no wittles,' spoke the child sullenly. These words robbed the heart of the judge's honest servarin of its last touch of anger. She said something about letting the child go's but too'late. A crowd had collected, a police-man spepsed in, and the thief in a few min-utes was locked safe in the station house.

tites was locked safe in the station house. It was a sorrowini night, that, to the come passionate heart of Becky; though her fire was bright, her tes gool, and even the barber he loves so well, called softy up and down from a little street hard by, had stepped in to talk the multer over with her. And she was affirmative answer, Becky called the child still more sidnext day, when in her best gown Allee. still more sidnext day, when in her best gown he curtespekt to the majarative of the police court, and saw the child in the dock, more hangard and pale. The case was fully prov-ed. 'My good woman', spoke the majarata in his kindest 'woice, 'I know your 'master would prosecute this case to his fullest exterpt of the law, but to what end? Here is a child away ware old or thereabouts, without

pleasant to the ear of Becky. But when in some few days the child's young face begau-to look up ratefully into her own, the tho't atruck Becky that the great all painting over the library fireplace, was the portrait of the blad been Alice. 'And might it not be been ulid,' said Becky to herself, 'if sin should turn out a good child, and come up lo' such grand things is to mend the dest' mager's shirt, or cook him an omelet as brown as I do' Might in man omelet as brown as I do'
