## THE VOICE OF INDUSTRY.

LABOR FOR WHAT WE be Rights or Mas to himself, to a permanent house on the earth, so the choice of industrial pursuits, to limit for humself the hours of foil, to an equivalen for what he produces, to the best opportunities for education, and to freedom in every thing.

## LOWELL

FRIDAN MORNING, MAY 14, 1847.

### INDUSTRIAL REFORM PLEDGE.

6 We whose ames are annexel, detroots of r ing to man his mean an annexel, detroots of r ing to man his Netural R (bit to Land, dis sol agree, that we will not vote for any man for the 1 densy or Congress sylve will not pledge himself in fing to use all the influence of his attation, if del to prevent all forther traditions and the fille be had out in forms and hots for the set of the set use of sense. United States, an and lots for the s; or for any man be laid out in farming and lots for the free and c entropy of the second second second second second second ship or the Logislature who will not so pledge to the Freedom of the Public Louds, to a Lipmi (the quantity of hand to be obtained by may in hereafter in this State; to the exemption of the stead from any future debt or more the second second for to ten of the hours of digity fabor on public or in establishments claratered by law.

REPEAL OF THE NEW POST OFFICE LAW

OG- The Publication Office of this paper has h 76 Central st ablicatio tion. Persons wishing to transact hus er or editor, are invited to call.

PRESIDENT MAKING.

To the candid, consistent and politically sane mind, the modus operandi of our Presidential mund, the modus operands of our Presidential campaigns, éspecially the approaching one, must appear in the highest degree, mawkish-and debasing. As with Rome of old, the ruling principle of the political factions of this nation. mind, the modus operandi of our Presidential its true character and as a reply (for want of campaigns, especially the approaching one, annuhicon) takes up the gun we loaded and must appear in the highest degree, mawkish affects to do great execution Vox talks loat-and debasing. As with Rome of old, the ingly alloutits large and highly respectable list ruling principle of the political factions of of partons, latvertising columns and intelli-this nation, is, lust for 'nower-power for the gent people, our self constituted judges and sake of power; and in their selection of cam- departing from our usual course,' with as didates for the highest office in the gift of a much digity as though it had entrely for-"free and enlightened people," all cardinal gotten to illustrious podegree and had ever principles of human rights, progress and ele- worn the mantle of spotless purity. 'But its vation, all qualifications of high and enlight- of no use, we believe "the intelligent people ened statesimanship, Devotions true instantion of a Lowell, 'Know quite well the origin and greatness and christian progress are lossing th history of, the immediate sheet--monthwithwation, all qualifications of high and length endistatesimussing. Devotions of the main and length endistatesimussing. Devotions of true instanding greatness and christian progress, are loss ight history of this immediate sheed--moth with-of or sacrificed for the mean and servile con-standing this effort to shroud it by a great inderation of breathildy. Look for a moment fluing the softent to shroud it by a great is the present aspect of the political affairs of this county.—Another President is soon to be made the leaders of each of the primierin parties are wathing with anxious impatience, intely indi hearing the totol of those who the result, the bloody contest between this pay the beet and fluing everything indiscriming into sincessful in his work of aggression in the result of the andidate of that pays. Not while, or will consent to the weak by them, is into bethe andidate of that pays. Not because they prefer him to their Wetheters approling denotes the twee con-nation that " circumsteines at and like wath and share weak by them because they prefer him to their Wetheters approling against the War and Slavery ween ' cold water and Rum," and that by the route that General Taylor drenkeld the total our common cause, the progress of Liber of a phathetion of Slavers' and that our common cause, the progress of Liber of a phathetion of Slavers' and that our common cause, the progress of Liber the pload of this some unholy War and owner of a phathetion of Slaver's and water of good sense they may posses, it and not his earth, who exulting up to the presidency of the might reace of the and water and water of a phathetion of Slaver's and water and source of a phathetion of Slaver's and water of a phathetion of Slaver's and that the event of good sense they may posses, it an inton on this earth, who exulting the preame and virtue. Here and with the 'Prime of Resard' by the the built an an event of the and water of a phathetion of Slaver's and the 'Prime of Resard' by the the brithing the 'Prime of Resard' by the of a plantation of bias carfu, who excluding pro-train ation on this carfu, who excluding pro-legime to be world that they "acknowledge through our estem-d trind Middleton of Andover the follow-ing and the provide the they in the path of the con-tiss military faces and burning for the con-test, already have many of the leading.
