- 6. Herote has patented à mude of connecing cans by which they are easily coupled by one man, and in case of accident hey uncouple themselves. It is said to be impossible for a curranting off the tacks to due gathers with it alightest deviation beyond the regular curve of the track, the connection between the erratio car and the others is instantly severed. This result is invitable, and must alko phase while out any intervention of the engineer, and, in devine the track heroverlag.

THE OPEN HAND. Two very pretty women, he hard of mind and heart, the other witty and one hard of mind and heart, the other with and very charitable, were discussing the character-lists of a beautiful hand, "They did not agree, and referred to a fixed who was present. "It could not decide," said the latter; "thut ask the nuforipante, and they will say that the pretitest hand is the hand whiph gives."

We cut the following scraps from late London

rapirs. TATERAN TRANSLATION: A Parisian author ha ranslated Shakepgare's line, "Out, brief can left" into French, hus: "Get out, you, sho condite?" aThat isn't as bad as the translation, ne exclamation of Millon's by a Frenchman who rendered "Hail, horrors—hail!?! thus - Hose dig us of, horrors—hail!?! thus - Hose dig us of, horrors—hail?!

Not only the letter you kips, but also the hand that wrote it, like the moult, takene kits decrees you with the nearness of a union, is, nothing but he visitle holy emblem of a long helowed be-ing, and the delusions are only distinguished by their sweetness.⁹

Tar Equipliant below the world to be resting on the birner it is bell, and when the bull track forces hear, it pickes the world in to the other, and thus causes an earthquice. There is a typic instruction of the heart, in which one should write no isfars, figurate, fifty spice afterwards people may happing to stars, he upon them who have on-the text for in-textant.

The City of Cincinnal had in 1840, 6681 buildings. It has now double hat number. In the year above mentioned, the population amounted to 70,000 souls—at present it exceeds 100,000

Lorowing human being purely and warmly, and you will love all. The heart in this hearon, like hei wandering sam, sees nobling, from the dew dop, up the cases, but a mirror, which i warms and fills — Jean Poul.

FULL FLAVORED SIMILE. Men are frequent like teat—the real strength and goodness is a properly drawn out of them till they have bee for a short time in hot water.

Synopism. A sailor is not a sailor whe is a board; a sailor is not a sailor when a-s but he must be either ashore or aboard; t for a sailor is not a sailor.
