THE VOICE OF INDUSTRY.

"NO USE IN TRYING." "NO USE IN VIETING" "Anary persons with robust 1 coverees on that the subject of Stational Rectorini Testality, addini-that is given contradict that the physicilic blacks be made face to advanty settlens; or at least. That the atta be very settlens; or at least. That the data be very settlens; or at least. That the data be very settlens; or at least. That the State, between the explainting in this State, between the explainting have never data or used any for the order wave determine the order of the settle settle settle settle made for the settle settle settle settle made the order of the settle settle settle made the own of the own of the settle settle made the own of the own of the settle settle three to even, if not by more than 'twelve to own.

Greenfield, March 14.

THE MOTHER. A addening thought of obler years-A colong liaked with ours, When life was all loo length for tears, And loop-ang yerented with flowe. A memory of addections die, Microson keard no more, Stirred imyry sprint when I read. That unline of fondness ever. That make of fondness over, O, mother ?, in that margin words What love and joy combind ? What watchings griefs are What watchings griefs are Yet never till the hour we reduc. By workly thmils opposed. Lesim we to prize that before ho A tender mother's breast. Test housant

A tender mother's breast. Ren thousand provers at midnight p Bendes jury couch of wees; the wasting weariness endured To soften our repose; While never mammals marked thy to Nor toffs relaxed thy gare; dow, motter, is thy hears to strong; To pity and forbear?

To pily and forbart? What failal francess ever reput of could repix the past? Alas, for gratitude decayed! Reprets that rarely last; The doly when the dust is throw Thy blessed boostn over, We muse on all thy kindness at And wish we'd lowed Jace and

and wish we'd loved joes and s only when the lips are cold, We mourn with late regret, lid inyriad memories of old,

We mourn with late regree, Mid invitad memories of old, The days forever set; And not an net, or look, or thought, Against thy meek control, But with a safe remembrance fradgist Wakes anguish in my soul!

by every hand, in every clime, True to her sacred cause; i The to the resacred cause; i filled by that influence sublime, Prom which her strength she dr fill in the mother's heat the same The mother's lot is tried; Oh, may nations guard th ith filial power and pride !

WORKING MEN'S PROTECTIVE UNION We refer the reader to the fourth page of We paper, for a very interesting atticle is subject. That mitche should not only arefully examined and stadled by every lab ginal in the country, but every newspap-iendly to his interest, should give it insert its columns, that it may be circledated columns, that it may be circulated as as possible. We fully agree with the of Industry—the paper from which the is taken—that it is one of the most im documents ever submitted to the consid-of working wen.
