MISCELLANY.

THE HONEST MAN

BY GENOR HEREET. Who is the bonest man? that dott stift, and strongly, good pursue God, his neighbor, and himself, most true Whom neither force, nor fawning, can spin, or wrengh from giving all their due.

Upping, or werearch from going all their der Winne honerty in not S. honerty in not S. honerty is an experiment of the second C. How wavey or glinering foot in bland . With rates his sum and even the second . Without how works on the foot has not within the works on foot hy, now way hold . Without how works and foothisms foothisms foothisms . That works are works, and foothisms foothisms foothisms foothisms and . That works are works, and foothisms foo

by a prece, and an are cent and scoogn. Who never mells of thaws close temptations. When the day is done, spoddness sets not, but in dark can run. "The surf to others written haws, d is their virtue. Virtue is his sun.

AGNES. A TALE. BY CHARLES WORTH.

Be CHARLES WORTH. Peter Härrod was huge, her littling faculty () of whose mind was bifer, 'terrible reverges, this was the about the money's ere the terri-lary of his being. Next to this was the gross-either. The little was often emissive to here formers and all other elements of his similar formers and all other elements of his similar weak more or less king. The Ya character, weak more or less king. The Ya character, weak more or less king.

ost horrible tale of his ve The most horitide table of his vergenance we are about to relate, The object of his vindic-tiveness was a Mr. Thomphan, who had once of his injudemeanors; and, in his zeal for the protection of weaks, had explosed him to the law, physich had inflicted its worst penalty for such objectives of the State private first of the years. While perfug out the term, Harrol all the while objective of a statistic fielding of revenues ure years serm, Harrod all the while ure most satanic feeling of revenge phins, and inwardly swore, every day, a he should again be released from would do nothing till he had paid s. Regularly as the Christian save h did this oscous-hearthis p all in s was die ty of the whom he

watchin g the movements of his

sharah eventy. He pected about some oxygy executly vasishing be movements of his netice sy-tion, and taking observations of his affections. Hyponicy relations, exe, nearing that he would a discover the tenderest peni, accessible, and the pargory was accomplished. M. Thomphian blockme as wildower while a Haraod, yas in prison, is that he could not hand bit with the victum, age has the fair flower of a poster particular as the fair of flower of a poster particular as the fair of the interaction of the fair flower of the four-er outd hirts a way all grosses, however how i that her innocence would exercise the four-set and the innecence would exercise the four weaks innocence would d that her simpli to flight all intrigue, and disarm all fell

as she was the offspring and image, not tally and spiritually than physically, of s he had lost, who was the world and time and eternity to him. His daugh-ity he valued above all things : to preof the

the vertial Agnes, and selecte hem chant their h but to pollute her with a than death, which woul wholly ruin her for fife. She, who had, not yet c e of foar, was unpleasantly of fear, was unpleasantly affective; and a strange shade of hor down at his there is a second and a second at the first, most aw-her. She really felt the first, most aw-lucies of evil; but she could not dis-hurpan being, for no and had ever hat he?: so she did not deem him the of her distress. Harrod gazed upon the salate child before him - it was a trying

camation of Beauty, Purity, Truth, he was u manned - or rather, for an instant, unbruted the first mondent of anything like, manhood H had known since he had wholy devoted hin self to a career of vice and crime, datted in mannel - eg ruber, for in intani, unbented, he frei mogenet of asythig ille cambed he inde free mogenet of signification is anothed he inde free mogenet of views and erices, dated into lab kelling like lighting; the un unlike lighting; teathed han on. He lifted has goes toward depth he might be as goed as that infle which depth he might be as goed as that infle which which we as few moments before. Then he might he ways for momentary the single singl

the b

e again. could not go home ; but lay on the ground the chill, night air stiffened her limbs in an and till she dreamed — not c and around her, as a ld region far removed

in the The autho

The aution of her destruction was support out arrested; and in a few days died in pris a deatt the mest avril which the gauge shoot, of the sight ever fromed upon. She lingered in life a few years, a most pulsive and loadhoms object her mind bu up; her body the blighted monument of t rin which had been wrought pron the gar Agars which also had been, and which also is been destined to become, By yand by the been destined to become. By and mains of that ruin wasted entirely as art-stricken father could not so became an imb rtality 1 ien all mis elled, all w
